

LoveUrns® is dedicated to helping people find the right cremation urn or memorial product to hold the ashes of a treasured loved one.

Our choices are beautiful, made with care, popular with today's families.

We know a cremation urn is a purchase no one wants to make, so the LoveUrns® team has a shared commitment to being as helpful as possible.

To us, being helpful means: urns that we would recommend to our family members and friends, lots of images and information about every product, and of course a friendly, caring customer service team.

This catalog is designed in such a way so that it can help you make that selection.

LoveUrns® is a family-owned company having distribution centers in three countries.

We take great pride in manufacturing beautifully designed urns with precise attention to detail and with the very best of traditional craftsmanship . At the core of our work is to provide comfort to the families.

Handcrafted with Love™
from our family to yours.

Rainbow Bridge

"Just this side of heaven is a place called
Rainbow Bridge.

When an animal dies
that has been especially close to someone here,
that pet goes to Rainbow Bridge.

There are meadows and hills for
all of our special friends so they can
run and play together.
There is plenty of food, water and sunshine,
and our friends are warm and comfortable.

All the animals who had been ill and old
are restored to health and vigour;
those who were hurt or maimed are
made whole and strong again,
just as we remember them in our dreams
of days and times gone by.

The animals are happy and content,
except for one small thing;
they each miss someone very special to them,
who had to be left behind.

They all run and play together,
but the day comes when one suddenly stops
and looks into the distance.
His bright eyes are intent; His eager body quivers.
Suddenly he begins to run from the group,
flying over the green grass,
his legs carrying him faster and faster.

You have been spotted, and when you and your
special friend finally meet,
you cling together in joyous reunion,
never to be parted again.

The happy kisses rain upon your face;
your hands again caress the beloved head,
and you look once more into the
trusting eyes of your pet,
so long gone from your
life but never absent from your heart.

Then you cross
Rainbow Bridge together."
